

Setting up Application Environment

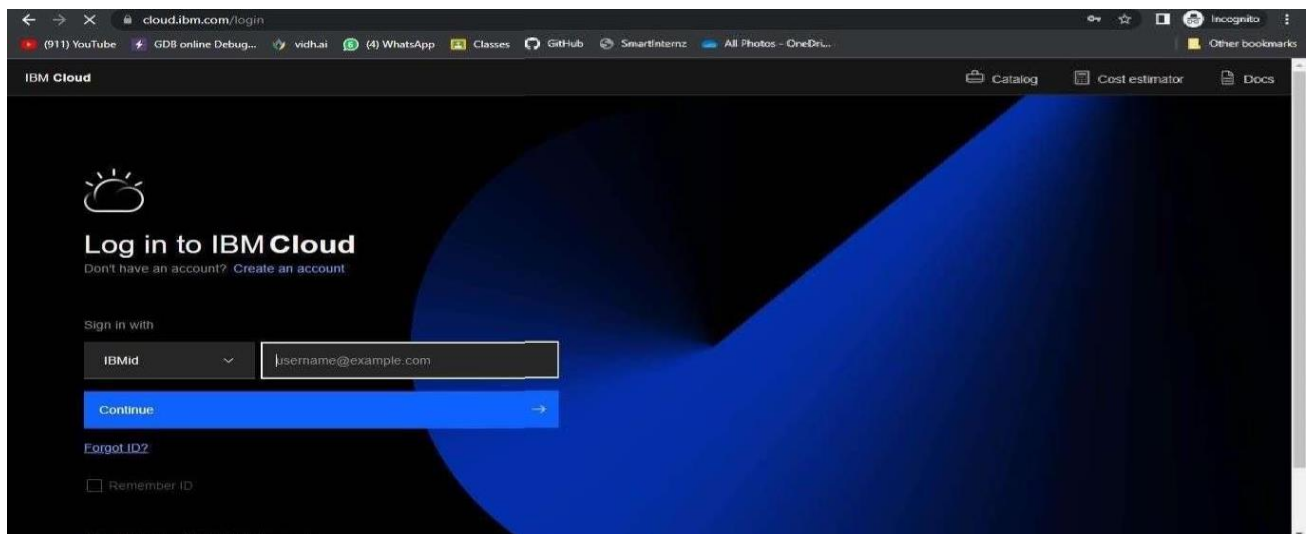

Create IBM Cloud Account

Step 1. Navigate to ibm.com/academic and register with your smart intern gmail

News Tracker Application

News Tracker Application

News Tracker Application

The image displays two screenshots of the IBM SkillsBuild account registration process.

First Screenshot: Account Information

The page title is "IBM SkillsBuild Software Downloads". It includes a sidebar with the IBM logo and a section titled "Harness the Power of IBM" with text about cloud access and open-source technologies.

The main content area is titled "1. Account information" and includes an "AutoFill with LinkedIn" button. The form fields are:

- E-mail: 913119104106@smartinternz.com (with a green checkmark)
- First name: Sriharshini
- Last name: Surash
- Password: (masked with dots, with a green checkmark and an eye icon)
- Country or region of residence: India (dropdown menu)

Second Screenshot: Verify Email

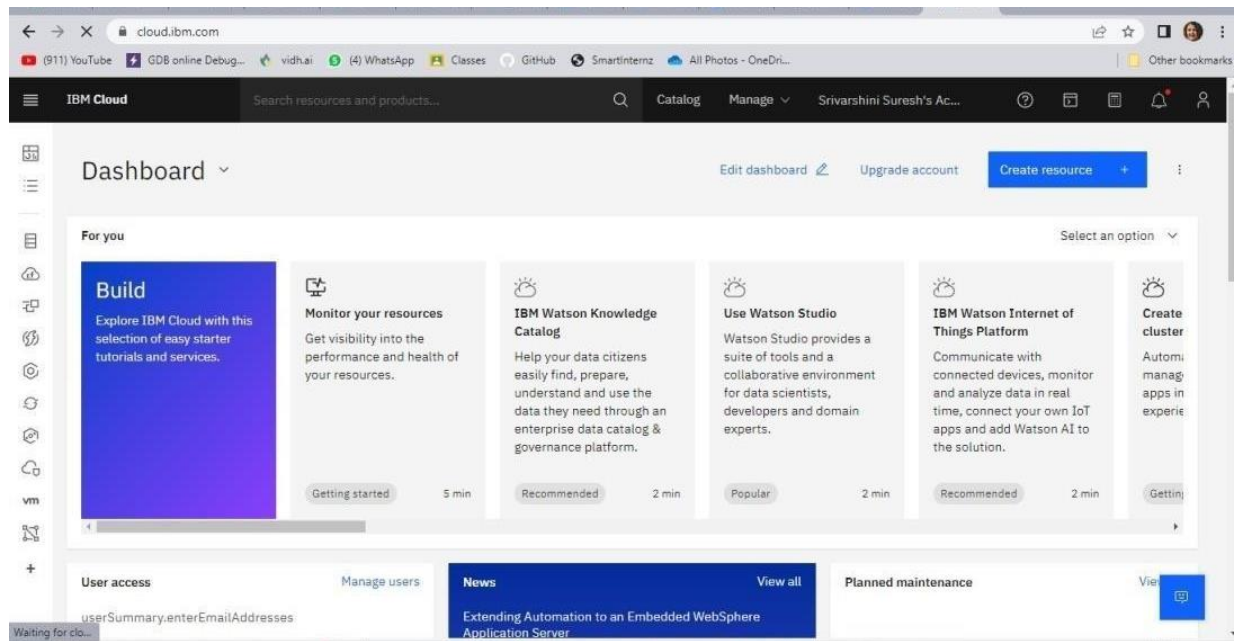

The page title is "Technology". It includes a sidebar with the IBM logo and a section titled "3. Verify email".

The main content area includes:

- A message: "We emailed a 7 digit code to 913119104106@smartinternz.com".
- A note: "This code will expire in 30 minutes."
- A label: "Verification token".
- A text input field containing the code: 4703028.
- A link: "Didn't receive the email? Check your spam filter for an email from ibmccot@iam.ibm.com." and a "Resend code" link.
- A checkbox: "IBM may use my contact data to keep me informed of products, services and offerings:" with the "by email" option selected.
- A note: "You can withdraw your marketing consent at any time by submitting an opt-out request. Also you may unsubscribe from receiving marketing emails by clicking the unsubscribe link in each email. More information on our processing can be found in the IBM Privacy." and a link to the "IBM Privacy" page.

Step 2: Now goto cloud.ibm.com and login with your registered mail id along with coupon code obtained from ibm.com/academic

News Tracker Application

Output:

Cloud account created successfully.
